## GENERAL TOURNAMENT AND GAME INFORMATION:

- Be sure to bring BOTH sets of uniforms. The home team (white) is the team on the top of the tournament bracket (unless otherwise noted for the 4-team brackets).
- Tournament officials from host school will be responsible for keeping the official score book; individual scoring leaders will be determined from that book. If you require statistics for rebounds, assists, turnovers, etc., you will have to keep these on your own.
- Shower facilities are available at the gym sites, but you must bring your own towels.
- Several basketballs will be available for warm-up prior to your games. **You do not need to bring basketballs.**
- Once your game is over, please vacate the bench area immediately for the next game. Also, please leave the bench area clean for the next team playing.
- A trainer will be available all day at each site to treat injuries. If you require taping, they will provide this service, but you need to supply the tape.

## Tournament Rules and Sanctioning:

Both the officials and tournament have been CIF (California Interscholastic Federation) and approved by the NFHS.

We will be using the U.S. National High School association rules. Games will be divided into four 8-minute quarters with a 10 minute half-time. You will be given 10 to 15 minutes to warm-up prior to the start of the game. We will do our best to keep games on schedule. Also, there is a 30 second shot clock for girls and a 35 second shot clock for boys (ball must touch the rim). **FOR GIRLS ONLY:** There is a violation for “over and back”, however there is no 10 second rule for getting the ball across half court. Therefore, you may take as much time in the back court, but once you cross the half-court line, there is no going back.

## Ground Transportation:

- **Airport Arrival:** For groups flying into San Diego, you will be met at the airport by a Basketball Travelers Representative upon your arrival in baggage claim. **(Be sure you inform Basketball Travelers of any flight or itinerary changes so we are sure to meet your team.)** You will recognize the staff members by their Surf ‘N Slam™ staff shirt. They will help you load your team and luggage on the bus to the Marriott.
- **Departure:** Schedules for your departure time to the airport on December 31 can be found in your itinerary that you will receive in late November.
- **Ground Transportation Desk:** There will be one table at the hotel tournament information desk dedicated solely to ground transportation questions. If your group is larger than 20 people, please let the ground transportation person know several hours in advance what bus your team plans to take. We will usually have one bus in reserve solely to provide extra transportation to large groups. However, WE MUST KNOW IN ADVANCE OF YOUR GROUP MOVEMENTS. If your group is traveling in the morning, please let us know your plans the previous evening.
- **Tournament Games:** A charter bus schedule is provided for you in your packet upon arrival. On game days, a bus will be running regularly to each gym site. It will be your responsibility to determine which bus to take to get to your game in time. If you have questions about the bus schedules, you may consult the staff at the hotel tournament desk (and ground transport desk) for assistance.

- **Sightseeing/Shopping:** Everyone who purchased the package will have access to an all day trolley pass for the dates of December 27<sup>th</sup>, 28<sup>th</sup>, 29<sup>th</sup> and 30<sup>th</sup>. (Driving teams included). The pass is good all day and makes stops at the three malls, Old Town, Downtown (Horton Plaza and the Gas Lamp District), and Tijuana. The trolley leaves every 15 minutes and is easily accessible from the back parking lot of the hotel.
